MEMORANDUM FOR: Deputy Director for Intelligence

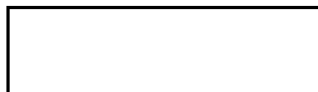

SUBJECT : New DDI Coordinator for Academic Relations

1. OCI would suggest [] as a possible DDI academic coordinator. [] has wide and continuing contacts in the academic community (especially re the Middle East) which he enjoys, and is a very able officer.

2. Our reservation with regard to him is that he already has a rather full platter in our MEA Division, handling longer papers for [] would have to get a better reading than we now have as to just what the academic job involves. Presumably the interview with [] would help on this.
